STEP 7: ACCESS COLLEGE SERVICES

Cesar E. Chavez Student Services Building

The Student Services Center in the Cesar E. Chavez Student Services Building is designed to streamline operations, improve efficiency, and make it easier and more convenient for students to access critical services. At 48,000 square feet, the $10.5 million Prop AA-funded facility houses all services associated with the matriculation of students under one roof, including Admissions, Counseling, Financial Aid, and Disability Support Services. Departments also housed in the Center are:
