Associate in Arts

Transfer Preparation* (Major Code: 01790)

History is an academic department offering both breadth and focus. The study of history contributes to cultural literacy and develops critical thinking and other useful skills while helping students understand today and plan for tomorrow. Therefore, it provides a solid fundamental preparation for transfer as a history major or for a career in business, industry, government, or education.

Program Student Learning Outcome

- Student will be able to identify and conduct comparative analyses within a regional, national, and global framework, the major concepts, relationships, issues, contributions, and paradigms that are basic to specific eras of history.
