General Description

The International Business program at Southwestern College provides students with a small business approach to international business theory, import/export trade, logistics, e-business/e-commerce, cultural diversity, and international business law and regulation. Students explore the theoretical and practical aspects of working within our global business environment.

Career Options

Most of the career options that follow require at least an associate degree and some require a bachelor's or graduate level degree. These include international business owner/entrepreneur, exporter, importer, logistics and transportation manager, accountant, financial officer, international banker, and human resources manager/director.

Degree/Certificate Options	Major Code
Associate in Science Degree:	
Career/Technical	
International Business (http://catalog.swccd.edu/associate-degree-certificate-programs/international-business/international-business-as/)	02038
