General Description

The Leadership and Supervision program at Southwestern College focuses on two primary areas:

- a. Management in the context of sustainability including micro enterprise innovation, strategic planning, and finance.
- b. Management in the context of human resources including the study of basic management theories, labor relations, and management of people of diverse cultures and backgrounds.

Career Options

Most of the following career options require at least an associate degree and some require a bachelor's or graduate level degree. A sample of the career options available in the area of leadership emphasizing sustainable micro enterprise innovation, strategic planning, and finance include micro enterprise developer/manager, entrepreneur, accountant, non-profit manager, financial officer, banker, real estate broker, and community and economic developer.

In the area of leadership emphasizing supervision, career options include human resources professional, business manager, entrepreneur, supervisor, office manager, insurance and benefits professional, union organizer, and labor relations manager.

Degree/Certificate Options	Major Code
