#### Associate in Arts Transfer Preparation\* (Major Code: 01462)

The Associate in Arts in Spanish for Transfer (AA-T) program equips both second-language learners and native speakers to engage with the Spanish-speaking world by establishing a solid foundation in the Spanish language and delving into the history, literatures, arts, cultures, and diaspora of Latin America, the Iberian Peninsula, and other Spanish-speaking territories. Throughout the program, students develop knowledge and skills that are applicable to various liberal arts disciplines. Additionally, they prepare themselves for diverse professions that involve providing services or products to Spanish-speaking communities. Upon successfully completing the Associate in Arts in Spanish for Transfer (AA-T) program, students will possess a strong academic foundation in the field, positioning themselves for advanced studies at the upper division baccalaureate level.
