Offered: ALL

Provides students with disabilities peer-assisted support in developing foundational social skills. Focuses on effective communication strategies, social cognition, and relationship building. Supports students currently in Neurolinks program. [ND]

PD 7 MEMORY SKILLS 3 UNITS

Grade Only
Lecture 3 hours
Offered: FALL, SPRING

Offers special instruction to students with memory problems or disorders. Teaches students to locate, identify, organize, and recall information using memory strategies. [ND]

PD 9 ADULT LEARNING ASSESSMENT 0.5 UNITS

Pass/No Pass Only
Lecture 0.50 hours
Offered: ALL

Provides instruction on adult learning and learning strategies. Includes individual assessment to identify learning strengths and weaknesses for the purpose of identifying learning disabilities following the California Community College model. Emphasizes the development of a plan for improved learning in all college courses. [ND]

PD 12 ORAL LANGUAGE AND COMPREHENSION SKILLS 2 UNITS

Pass/No Pass or Grade is Allowed
Lecture 2 hours
Offered: FALL

Provides instruction to students on oral and written language to include auditory and reading comprehension, cognitive skills, pragmatics, vocabulary development, and expressive language skills. [ND]

PD 14 VOCABULARY DEVELOPMENT AND WORD RECALL 3 UNITS

Grade Only
Lecture 3 hours
Offered: SPRING

Offers strategies to improve oral and written vocabulary, word retrieval skills for college-level language expression, and memory for new vocabulary learned. [ND]

PD 18 ADAPTED COMPUTER INSTRUCTION 2 UNITS

Grade Only
Lecture 2 hours
Offered: FALL, SPRING

Introduces students with disabilities to basic computer vocabulary, functions of computers, and common computer software applications using adapted technology. Provides specialized computer-delivered instruction to improve information processing skills, and/or composing skills adapted to the needs of the individual student's disability. [ND]

PD 21 ADAPTED COMPUTER SUPPORT LABORATORY I 1 UNIT

Pass/No Pass Only
Laboratory 2 hours
Offered: FALL, SPRING

Provides students with disabilities access to specialized hardware and software designed to learn or improve basic skills in adaptive technologies, cognitive retraining software, educational technologies, computers, and study skills. Students will work in the computer lab following their individual educational contract. Laboratory time arranged with the instructor. [ND]

PD 22 ADAPTED COMPUTER SUPPORT LABORATORY II 2 UNITS

Pass/No Pass Only
Laboratory 6 hours
Offered: FALL, SPRING

Provides students with disabilities access to assistive technology to individually increase skills in specialized programs designed to improve basic skills, computer skills, and study skills. Students will work in the computer lab following their individual educational contract. Laboratory time arranged with the instructor. [ND]

**PD 23
ADAPTED COMPUTER SUPPORT LABORATORY III
3 UNITS**

Pass/No Pass Only
Laboratory 9 hours
Offered: FALL, SPRING
Provides students with disabilities advanced skills in using specialized hardware and software designed to learn or improve skills in adaptive technologies, cognitive retraining software, educational technologies, computers, and study skills. Students will work in the computer lab following their individual educational contract. Laboratory time arranged with the instructor. [ND]

**PD 89
FUNDAMENTALS OF MATHEMATICS
3 UNITS**

Pass/No Pass or Grade is Allowed
Lecture 3 hours
Offered: FALL, SPRING
Introduces basic skills mathematics for students with disabilities. Uses special instructional methods and materials to teach learning strategies for computation, problem solving, and real life applications. Prepares students to enter into MATH 20 or Career Technical Certificate Programs. [ND]

**PD 100
LIFELONG SUCCESS
3 UNITS**

Pass/No Pass or Grade is Allowed
Lecture 3 hours

[D; CSU]

PD 290
OCCUPATIONAL COOPERATIVE EDUCATION I
2-4 UNITS

Grade Only
 Recommended Concurrent Enrollment: Enrollment in one other class directly related to the Vocational Education major in order to apply learned theory in a practical hands-on setting through an internship class.
 Limitation on Enrollment: Declared Vocational Education major.
 Laboratory 12 hours
 Offered: ALL

Introduces principles and skills acquired in the Vocational Education major to on-the-job assignments. One unit of credit is granted for every 54 hours of work experience. Credit may be accrued at the rate of 2 to 4 units per semester for a total of fourteen units. The job supervisor and instructor will evaluate each student's job performance. [D; CSU]

PD 291
OCCUPATIONAL COOPERATIVE EDUCATION II
2-4 UNITS

Grade Only
 Recommended Concurrent Enrollment: Enrollment in one other class directly related to the Vocational Education major in order to apply learned theory in a practical hands-on setting through an internship class.
 Prerequisite: PD 290 or equivalent.
 Limitation on Enrollment: Declared Vocational Education major.
 Laboratory 12 hours
 Offered: ALL

Applies beginning-level principles and skills acquired in the Vocational Education major to on-the-job assignments. One unit of credit is granted for every 54 hours of work experience. Credit may be accrued at the rate of 2 to 4 units per semester for a total of fourteen units. The job supervisor and instructor will evaluate each student's job performance. [D; CSU]

PD 292
OCCUPATIONAL COOPERATIVE EDUCATION III
2-4 UNITS

Grade Only
 Recommended Concurrent Enrollment: Enrollment in one other class directly related to the Vocational Education major in order to apply learned theory in a practical hands-on setting through an internship class.
 Prerequisite: PD 291 or equivalent.
 Limitation on Enrollment: Declared Vocational Education major.
 Laboratory 12 hours
 Offered: ALL

Provides intermediate-level principles and skills acquired in the Vocational Education major to on-the-job assignments. One unit of credit is granted for every 54 hours of work experience. Credit may be accrued at the rate of 2 to 4 units per semester for a total of fourteen units. The job supervisor and instructor will evaluate each student's job performance. [D; CSU]

PD 293
OCCUPATIONAL COOPERATIVE EDUCATION IV
2-4 UNITS

Grade Only
 Recommended Concurrent Enrollment: Enrollment in one other class directly related to the Vocational Education major in order to apply learned theory in a practical hands-on setting through an internship class.
 Prerequisite: PD 292 or equivalent.
 Limitation on Enrollment: Declared Vocational Education major.
 Laboratory 12 hours
 Offered: ALL

Covers advanced-level principles and skills acquired in the Vocational Education major to on-the-job assignments. One unit of credit is granted for every 54 hours of work experience. Credit may be accrued at the rate of 2 to 4 units per semester for a total of fourteen units. The job supervisor and instructor will evaluate each student's job performance. [D; CSU]
