

HEALTH SERVICES

Phone: (619) 482-6354

Health Services is located in Room 601F in the Student Center and is open Monday through Friday. The hours vary during the week at the Higher Education Centers at National City, Otay Mesa, and San Ysidro. A registered nurse is on duty to provide first aid, emergency treatment, health counseling, and referrals to appropriate agencies. A physician is available to students during the fall and spring semesters. Various immunizations and blood testing (cholesterol, glucose, and hemoglobin) are available at cost. TB skin tests are free. All students (day and evening) who register on campus and pay the health fee are eligible for services and are also covered by an insurance policy which applies to accidents in college-sponsored and supervised activities. This does not apply to students enrolled in non-credit, fee-based courses, or online classes.
