The Veterans' Resource Center (VRC) is located in Room 345 and provides a centralized location for services for veterans and their families as they transition from military to academic life. Staffed by veterans and working with the Veterans' Services Office, the goal of the VRC is to deliver the tools and services to support the academic success of our student veterans. The VRC offers a variety of support services, including "Vet to Vet" academic tutoring, a dedicated computer lab, peer support and mentoring, referrals to on and off-campus services and agencies and a lounge and meeting area.
