NOTE: Complaints under Section 504 and/or Americans with Disabilities Act are made to the Section 504 Coordinator in Office of Student Services. Complaints of sexual harassment and other forms of unlawful discrimination are made to the Director of the Office of Employee Relations and Title IX.

The student is encouraged to pursue academic studies and other College District-sponsored activities that will promote intellectual growth and personal development. In pursuing these ends, the student should be free of unfair and improper action by any member of the academic community.

a. STUDENT GRIEVANCE PROCEDURES

A grievance may be initiated by a student when he/she/they believes he/she/they has been subject to an unjust action that affects the status, rights, and/or privileges of a student due to a violation of College District policies or procedures, or local, state, or federal law. Such action may be instituted by the student against another student, faculty, administrator or staff member. A grievance must be initiated no later than the end of the term during which the incident occurred or within 30 days if the alleged action took place during the last two weeks of the semester. Where a student believes an injustice has taken place, the student may seek resolution through the following procedures

Grade and grading disputes are addressed within this administrative procedure, unless the student is alleging discrimination, harassment, or related retaliation in grading. Students should refer to the "Student Grade Dispute Procedure – Section 2" found in this procedure.

The procedure does not apply to:

- Student Disciplinary actions covered by College District Procedures Nos. 5500 AP - Standards of Student Conduct and 5520 AP – Student Discipline Procedures.
- College Police citations. Complaints about citations must be directed to the College Police or San Diego County Superior Court in the same manner as any traffic violation.
- Complaints alleging unlawful discrimination, harassment, or related retaliation should be filed under College District Procedures Nos. 3430 AP - Prohibition of Harassment and Discrimination, 3435 AP – Discrimination and Harassment Complaints and Investigations, and 3434 AP – Responding to Harassment Based on Sex under Title IX.
- Complaints regarding academic accommodations for students with disabilities should follow the procedures outlined in College District Procedure No. 5140 AP – Academic Accommodations for Students with Disabilities.
- Appeals for residency determination. Residency appeals are filed with Admissions and Records.
- Evaluation of professional competence, qualifications or job performance of any College District employee. The Dean of Student Services reserves the right to transfer the student grievance to the Assistant Superintendent/Vice President for Human Resources when deemed appropriate.

A grievance exists when an error or offense has resulted in an injury or harm that may be corrected through this grievance procedure. As noted, there may be other procedures applicable to various other alleged injuries

or harms, and this grievance procedure may not be the sole or exclusive remedy, and it may not be necessary to exhaust this process before presenting allegations to other College District or government agencies.

The Superintendent/President shall appoint the Dean of Student Services or his/her/their designee to assist students in seeking resolution.

Informal meetings and discussion between persons directly involved in the grievance are essential at the outset of a dispute and should be encouraged at all stages. An equitable solution should be sought to avoid persons involved in the case becoming polarized, which could render a solution more difficult to achieve.

At no time shall any persons directly or indirectly involved in the case use the facts, the information which has been discussed, or the character of the informal discussion for the purpose of strengthening the case for or against persons directly involved in the dispute for any other purpose other than the settlement of the grievance.

The determination of whether the Report of Student Grievance presents sufficient grounds for review shall be based on the following:

- The grievant must be a student.
- The grievant is personally and directly affected by the alleged grievance.
- The grievance was filed in a timely manner.
- The grievance is not frivolous, clearly without foundation, or filed for the purpose of harassment.

The Report of Student Grievance must include the following:

- A clear and concise statement of the grievance.
- Name(s) of the individuals against who the grievance is being filed.
- Identify the resolution, corrective action or remedy being sought.
- Summary of actions already taken to attempt to resolve the issue.

The Report of Student Grievance must be filed whether or not the student has already initiated efforts at informal resolution, if the student wishes the grievance to become official.

Preliminary Action Procedure

- a. The student who believes an injustice has occurred shall attempt to resolve the grievance by informal consultation with the student, staff, faculty or administrator concerned.
- b. If this proves to be less than satisfactory, the student will inform the School/Center Dean or Supervisor of the area, who shall attempt to resolve the grievance by informal consultation with the student, staff, faculty concerned.

Formal Grievance

3. If the student still believes that the issue has not been resolved satisfactorily through the informal resolution process, the student shall submit a completed "Report of Grievance" to the Dean of Student Services, or designee. In cases in which College Police have been involved or in which the situation has become an issue of safety, the preliminary actions need not be adhered to.
4. During the preliminary meeting with the Dean of Student Services, or designee, he/she/they shall confer with the student for the purpose of reviewing the grievance and attempting to resolve the matter.
5. The Dean of Student Services or designee may also obtain information relating to the grievance from other parties involved..

The Dean of Student Services will notify each party of the following actions being considered:

- Dismissal of the grievance for lack of merit.
- Agreement among parties to work towards an equitable solution.
- Remand of the case to a formal hearing. (Guidelines for Due Process on page 5)
- Charges are filed against the student for misconduct. (Pursuant to College District Procedure No. 5500 AP— Standards of Student Conduct.)

From the date the student is notified of the Dean of Student Services' decision, any request for a hearing of the Grievance and Order Committee must be received within five (5) working days. Requests for a hearing shall be made in writing and delivered to the Dean of Student Services.

The Dean of Student Services shall arrange a review of the case by formal hearing to consider the disposition. Please see Guidelines for Due Process in this procedure.

Guidelines for Due Process

Procedural due process is the method established to resolve faculty, staff, and student conduct issues in a clear, fair, and orderly manner. These procedures apply to actions which interfere with or exert a harmful effect upon the function of the College District.
