General Description

Landscape architecture is the study of principles and practices related to the design and installation of environmentally pleasing landscape designs for homes, parks, commercial buildings, and natural settings. Landscape technology deals with study of the practices of landscape installation methods and landscape maintenance techniques for homes, parks, commercial settings, and utility areas. Golf and sports turf management is the study of the installation and proper management of quality sports fields and golf course turfs. Nursery technology studies the careers of plant propagation, nursery production, and nursery sales. Floral design covers the production of quality floral arrangements, flower shop management, wedding consultations and design, and interiorscaping.

Career Options

Below is a sample of the career options available for students majoring in landscape architecture, landscape occupations, nursery occupations, floral design occupations, or golf and sports turf management. Most of these require a certificate or associate degree, some require a bachelor's degree, and a few require a graduate-level degree: landscape contractor, landscape designer, licensed landscape architect, floral designer, assistant floral designer, sprinkler technician, golf course superintendent or assistant superintendent, retail nursery manager, nursery manager, greenhouse technician, floral shop owner or manager, landscape maintenance company owner or manager, or horticultural teacher.

Degree/Certificate Options	Major Code
Associate in Science Degree: Career/Technical	
Environmental Horticulture (https://catalog.swccd.edu/associate-degree-certificate-programs/landscape-architecture-landscape-nursery-technology/environmental-horticulture-as/)	02604
Landscape Architecture (https://catalog.swccd.edu/associate-degree-certificate-programs/landscape-architecture-landscape-nursery-technology/landscape-architecture-as/)	02610
Certificate of Achievement	
Golf and Sports Turf Management (https://catalog.swccd.edu/associate-degree-certificate-programs/landscape-architecture-landscape-nursery-technology/golf-sports-turf-management-certificate/)	02602
Floral Design (https://catalog.swccd.edu/associate-degree-certificate-programs/landscape-architecture-landscape-nursery-technology/floral-design-certificate/)	02823
Landscape Architecture (https://catalog.swccd.edu/associate-degree-certificate-programs/landscape-architecture-landscape-nursery-technology/landscape-architecture-certificate/)	02611
Plant Production (https://catalog.swccd.edu/associate-degree-certificate-programs/landscape-architecture-landscape-nursery-technology/retail-nursery-plant-production-certificate/)	A2824

Consult with a counselor to develop a Student Education Plan (SEP), which lists the courses necessary to achieve your academic goal.
