General Description

The Associate of Arts in Liberal Arts Degree is designed for students who wish a broad knowledge of liberal arts and sciences plus additional coursework in an "Area of Emphasis". The Associate of Arts in Liberal Arts Degree would be an ideal choice for those students planning on transferring to the California State University or University of California as the student can satisfy their general education requirements, plus focus on transferable course work that relates to majors at CSU or UC.

Areas of Emphasis

- Choose either Option 1, 2 or 3 for the General Education pattern related to your educational goal.
- Complete a minimum of 18 units from the courses in a Liberal Arts Areas of Emphasis (p. 1) degree. For Option 1, courses cannot be double-counted to satisfy general education requirements.

- For ALL OPTIONS: complete necessary Southwestern College Graduation and Proficiency (<http://catalog.swccd.edu/certificates-certifications-degrees-csuuc-requirements/>) requirements.
- Courses with an "*" are not UC transferable.
- Courses should be selected with the assistance of a counselor. Refer to ASSIST.org (<https://assist.org/>) for transfer details.
- Completion of the Liberal Arts Degree does not guarantee acceptance into a four year institution nor into a major.
