SOCIOLOGY

Associate in Arts
Transfer Preparation* (Major Code: 01900)

Sociology is the study of human behavior, social interactions and social groups. It combines scientific methods with theoretical perspectives, integrating the findings of anthropology, history, political science and psychology. A degree in sociology is designed to provide students with a board understanding of human relations, social processes, social structures, and tools of sociological investigation.

Program Student Learning Outcome

- Students will be able to apply sociological theories and concepts to identify, describe and analyze social phenomenon.

* Students planning to transfer to a four-year college or university should complete courses specific to the transfer institution of choice. University requirements vary from institution to institution and are subject to change. Therefore, it is important to verify transfer major preparation and general education requirements through consultation with a counselor in either the Counseling Center or Career and Transfer Connections. See catalog Transfer Courses Information (http://catalog.swccd.edu/student-success-support-program/student-services-and-college-services/other-services/transfer-courses/) section for further information.

To earn an associate degree, additional general education and graduation requirements (http://catalog.swccd.edu/certificates-certifications-degrees-csuuc-requirements/) must be completed.
