

# SOCIAL WORK AND HUMAN SERVICES

Associate Degree  
for Transfer  
*A Degree with a Guarantee.*<sup>SM</sup>

## Student Transfer Achievement Reform (STAR) Act (SB1440)

### Associate in Arts Transfer Preparation \* (Major Code: 01891)

Prepares student for transfer and for work in the social work and human services field. Social work and human services is an applied behavioral science that emphasizes the application of behavioral science principles in a variety of cultural contexts. Social work and human services students are expected to think critically and scientifically about behavior, to apply the principles of the behavioral sciences, and to understand the role of values in diverse cultural settings. As a profession, social work and human services focuses on methods for helping people from many different social groups to improve the quality of their lives. Students planning to attend SDSU should consult with an academic counselor to verify that university requirements are met with this program.

## Program Student Learning Outcomes

- Discuss the values, ethical standards and principles of social work and human services to describe how they may guide fieldwork experience and future employment.
- Analyze, formulate, and influence social policies within the fields of social work and human services.
- Employ ethical principles of the field of social work and human services to guide fieldwork experience and future professional practice.

\* Students planning to transfer to a four-year college or university should complete courses specific to the transfer institution of choice. University requirements vary from institution to institution and are subject to change. Therefore, it is important to verify transfer major preparation and general education requirements through consultation with a counselor in either the Counseling Center or Career and Transfer Connections. See catalog Transfer Courses Information (<http://catalog.swccd.edu/student-success-support-program/student-services-and-college-services/other-services/transfer-courses/>) section for further information.

Some courses within this program may require additional coursework that must be completed prior to enrollment in these courses. Please consult the individual course listings for prerequisites and any other limitations on enrollment.
