Timely Warning Notice

In the event a crime is reported or an emergency situation arises within the Southwestern Community College District Clery Geography (On Campus, Public Property and Non-Campus Property) that, in the judgment of the President, a Cabinet Member, Chief of Police or designee, and in consultation with responsible authorities when time permits, constitutes a serious or continuing threat, a campus wide "Timely Warning" notice will be issued.

Timely Warnings are typically issued for the following Uniform Crime Reporting Program (UCR)/National Incident Based Reporting System (NIBRS) crime classifications:

- Murder/Non-Negligent Manslaughter.
- Aggravated Assault. Cases involving assaults among known parties, such as two roommates fighting which results in an aggravated injury, will be evaluated on a case-by-case basis to determine if the individual is believed to be an ongoing threat to the larger Southwestern Community College District community.
- Robbery involving force or violence. Cases including pick pocketing and purse snatching will typically not result in the issuance of a Timely Warning Notice, but will be assessed on a case-by-case basis.
- Sexual Assault. Incidents will be considered on a case-by-case basis depending on the facts of the case, when and where the incident occurred, when it was reported, and the amount of information known by the President, Cabinet Member, Chief of Police or designee. In cases involving sexual assault, they are often reported long after the incident occurred, thus there is no ability to distribute a "timely" warning notice to the community. All cases of sexual assault, including stranger and non-stranger/acquaintance cases, will be assessed for potential issuance of a Timely Warning Notice.
- Major Incidents of Arson.
- Other Clery crimes as determined necessary by the President, Cabinet Member, Chief of Police or designee.
- Timely Warning Notices may also be posted for other crime classifications and locations, even though not required by the law, at the sole discretion of Southwestern Community College District.

Timely Warning Notices are typically written and distributed by the Chief Public Information & Governmental Relations Officer, Chief of Police or designee.

Timely Warning Notices will be issued to the campus community via the District's Regroup Alert System, which will disseminate an email blast, text message, and phone call to all Southwestern Community College District employees, students, and other included individuals. All employees and students have database accounts that have assigned email addresses and include personal phone numbers. The Regroup Alert System will draw upon these accounts to disseminate the Timely Warning Notice. Timely warnings may also be issued using some or all of the following methods of communication to include text messages,

phone calls or emails, website posting, public-address systems or through the social media.

Timely Warning Notices will be distributed as soon as pertinent information is available, in a manner that withholds the names of victims as confidential, and with the goal of aiding in the prevention of similar occurrences. The institution is not required to issue a Timely Warning with respect to crimes reported to a pastoral or professional counselor.
