

SOUTHWESTERN COLLEGE FOUNDATION

The Southwestern College (SWC) Foundation (<https://www.swccd.edu/swc-community/swc-foundation/>) was established as a separate private nonprofit corporation in 1982 to solicit and receive real and personal property from public agencies, individuals or estates, and to manage, invest and/or distribute such real and personal property for the promotion of educational services, programs, and facilities at Southwestern College and/or within the Southwestern Community College District.

Southwestern College Foundation funds are primarily used to award student scholarships, sponsor campus activities, and build the College's endowment.

The SWC Foundation Directors are goodwill ambassadors for the College, giving of their time, talent, and treasure. Members are elected to serve three-year terms and officers are elected on an annual basis.
